

The Body Connection Introduces:

Oxygen Services for
Special Events, Private Parties
& Trade Shows

OXYGEN BARS

OASIS OXYGEN BAR

Our fully contained oxygen bar is an oasis for any event, meeting or tradeshow. The Oasis Oxygen Bar gathers up to 8 people around a standup bar (seating optional) to socialize or hold a meeting while receiving revitalizing oxygen. A profitable sponsorship option for events and conventions.

EXHIBITOR BRANDING

The Oasis Oxygen Bar can be extended for up to 16 seats and added counter space, providing plenty of room for handouts and branded promotional items. Clients have the option to brand the backlit panels or oxygen delivery carousels with corporate logos or messaging.

CONVENTIONS

When conventioners spot that huddle of energy in an exhibit booth, they gravitate toward the activity, curious to see what all the buzz is about. Linked to our oxygen delivery carousels, booth visitors relax and engage, a captive audience for your sales team. Professional set-up, breakdown and staffing is provided for the entire event.

SPECIAL EVENTS

From fancy fundraisers to weddings and birthdays, oxygen bars are a great way to get any party started. Not only a novel attraction, the bar that supports the oxygen delivery carousels also provides additional seating space for socializing and networking, and additional table space to rest appetizers and cocktails.

CORPORATE EVENTS

Need to breathe life into a stale corporate event? Oxygen Bars are a fresh addition to a broad range of occasions, including, golf tournaments, company picnics, business mixers or product launches. An especially good fit for health-focused events, Oxygen is a great alternative high for people who cannot drink alcohol or choose not to.

WORK PLACE

Reduce workplace stress and improve employee focus and productivity. Our mobile oxygen bar is a healthy treat for employees or loyalty reward for customers. Oxygen bar paired with massage is a terrific draw at annual corporate Health Fairs.

OXYGEN CAROUSELS

OXYGEN CAROUSEL

Don't want the full oxygen bar set up? We can supply you with just the oxygen carousels without the standup Oasis bar. The carousels contain the oxygen delivery system and have herbal aromatherapy and lighting.

CORPORATE EVENTS

The oxygen carousels contribute to a colorful and festive atmosphere. They not only connect event attendees to the oxygen delivery systems, they connect party goers to each other. At client's request, the oxygen carousels can be branded with logos of corporate sponsors

SPECIAL EVENTS

Using the carousels alone provides maximum flexibility, and allows event planners, corporate management and tradeshow exhibitors to create their own design concept or tailor a set up that complements their theme.

CONVENTIONS

Oxygen carousels are mobile and adaptable. The compact setups fit easily in all sizes of tradeshow booths or hospitality suites and add a human touch to conventions and tradeshows.

MOBILE MINI OXYGEN BARS

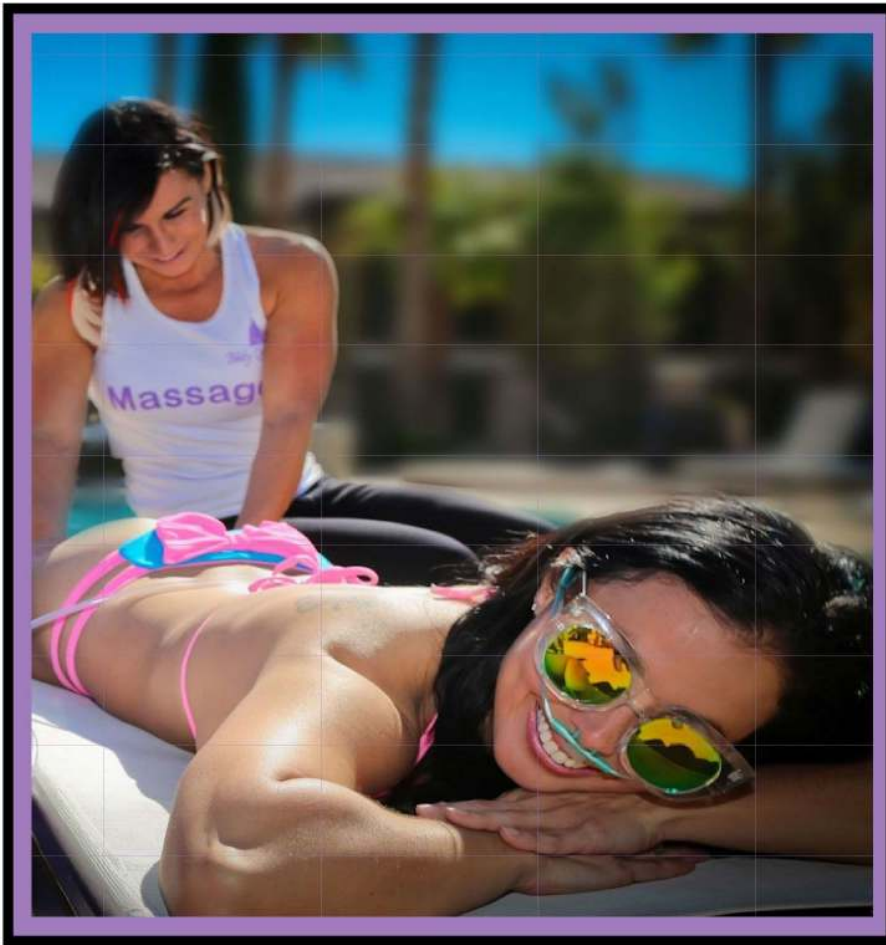

MINI OXYGEN BAR

Perfect for Poolside, Cabanas & Special Events!

Experience the ultimate oxygen oasis, a breath of fresh air in the Vegas desert. Our Oxygen Cocktail for Two is 30 minutes of oxygen service for two individuals served up by our Oxygen Barista with a complimentary all-natural energy shot.

Add Oxygen Cocktail for Two as an upgrade on your cabana menu or reserve this premium service as an elevated experience for your premier clients.

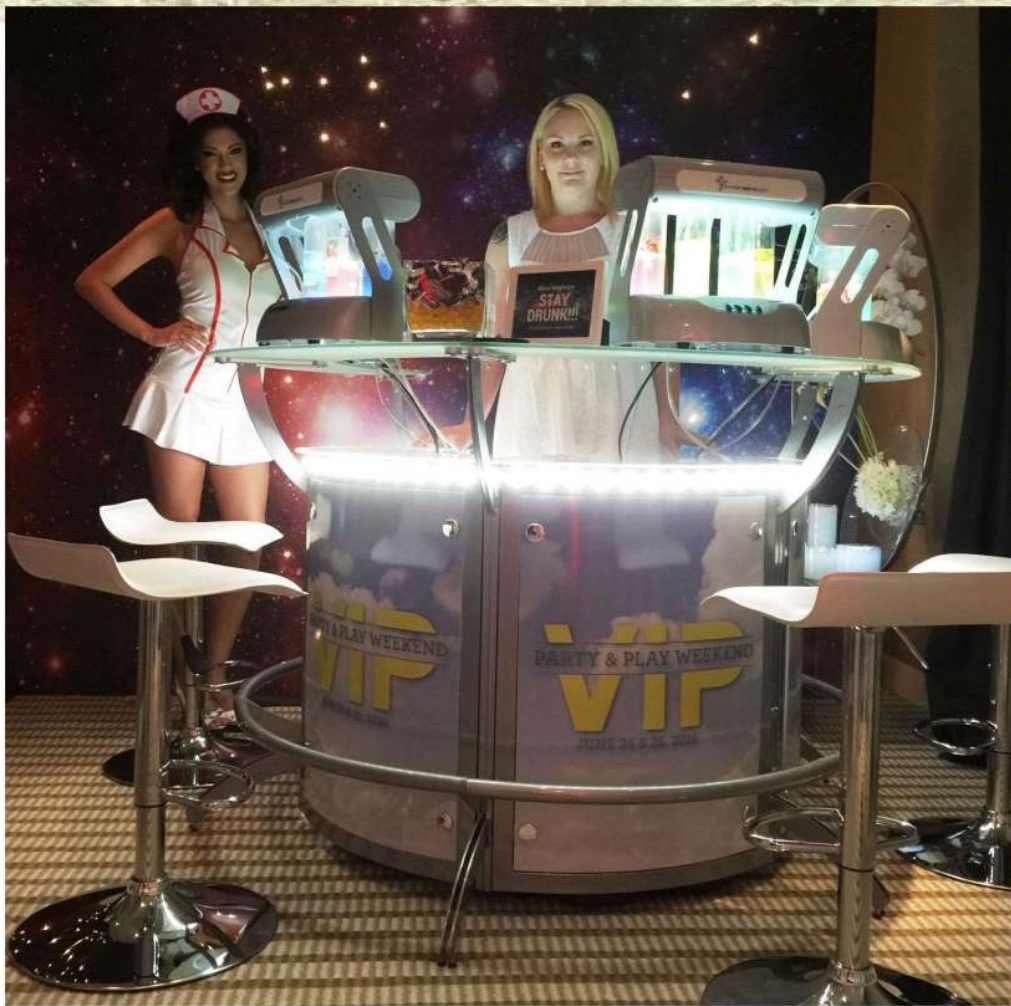

Don't be fooled by the name, though. This mini is a monster. Each unit, serves two people and delivers 95% pure oxygen with aromatherapies such as mandarin orange or lavender to relax, refresh and rejuvenate.

Roll it where ever the action is. With handle and rolling wheels, our little Oxygen Bar follows the party and goes where you go.
